Francophone West Africa Region: Together as One for "a New Wave"

Gathered in a convention from 23rd to 25th August 2018 in Cotonou, Benin. All the countries of the Francophone West Africa Region came to honor the 3rd regional convention after eight years of existence.

Motivated by a theme in the era of the time: "A NEW WAVE", organizers, friends and guests have witnessed, with great interest, determined speakers (all members of the leadership), driven by the desire to bring the vision and mission of the FGBMFI to the fore with the Anointing of the Holy Spirit.

The purpose of this convention was to bring about a new generation of members in the image of the vision according to the intensified vision of the founding father Demos Shakarian. Glory to God!

Divine healings, baptisms of the Holy Spirit and many conversions to JESUS were the divine reward given by God during this great Regional meeting.

Beyond the plenaries and the various all-enriching programs of the youth and the ladies, the closing banquet illustrated the prestige of the bright days ahead of the FGBMFI with the authentic speaker, TUO Adama, a prophet and businessman, a life member from Côte d'Ivoire. No comments.

In addition to the countries of the Region, countries from neighboring regions, international leaders and directors were at the rendezvous. These include Nigeria, Ghana (Anglophone West Africa), Cameroon and Gabon (Central Africa). The international directors and international officers brought their active and comforting support: these include the International Treasurer FRANCIS Owusu, the IRVP Eghosa (East Africa, George Prah (Southern Africa), and WILLIE ORHIN (West Africa English speaker). A special guest, Dr. Jude Ememe, arrived from Nigeria. The party was beautiful and it was held in the spirit of the motto of the new International President Ing. Mario Garcia: love, respect, unity and even reconciliation which was displayed at the convention. The future looks promising after eight years of experience in this young Region, which continues to break through with evangelizing and promotion of the vision of FGBMFI in the Francophone West Africa. Glory be to God, the Holy Spirit is our strength and our help, which makes us triumph in the grace of our Lord and Savior JESUS CHRIST!

God be praised for this wonderful vision of the FGBMFI who continues to bless and transform lives by our good will.
